EDUCATION

Aligarh College Of Engineering and Technology

B.Tech Computer Science Engineering

CGPA: 8.0

Gagan Public School

12 PCM

Percentage: 74.5%

Agra Road, Aligarh July 2018 - July 2020

Mathura Road, Aligarh

08/2021 - 08/2025

EXPERIENCE

Fresher | Front-end Web Development

Being a fresher, I have worked on several projects to enhance my skills required for front-end web development. I'm constantly learning new skills to improve myself in the field of IT.

SKILLS

Programming Languages: C++, JAVA, C, HTML, CSS, Python Libraries/Frameworks: JavaScript, ReactJs, Bootstrap, VueJs

Tools / Platforms: Git, Github, VS Code

Databases: MySQL

PROJECTS / OPEN-SOURCE

Amazon.in Clone | Link

Reactjs, HTML, CSS

- 1. This project is a clone of Amazon.in website which is a multipage application consisting of login page, navlink, routes, switch and other components required to build it as a complete multipage application.
- 2. During the development of this application, I faced some challenges which were helpful in learning the ReactJs components deeply.

Random Password Generator | Link

HTML, CSS, JavaScript, ReactJs

- 1. This project aims at user problems who has difficulty in writing a unique and secure password.
- 2. This application can be used to generate a secure & unique password with combinations of symbols, numbers, & alphabets of variable lengths depending on the user requirements.

Family Golf Clone | Link

HTML, CSS, JavaScript

- 1. With this project, I was able to use my CSS skills extremely and learnt about using the combination of HTML, CSS & JavaScript in an effective manner.
- 2. This project has a webpage which uses image fade during scroll and text fade in fade out depending on the functions within the webpage. JavaScript is used to enhance the overall functionality within the webpage.

CERTIFICATIONS

• Basic ReactJs - Pantech E Learning

Honors & Awards

Got rank first in the 2nd year of my B. Tech

5 Star Coder in C++ and 4 Star Coder in Java at HackerRank
